O R D E R :

Andhra Pradesh is one of the India's largest consumers of food and the third largest producer of agriculture produce according to 2015 Top Markets Report on Cold Chain by International Trade Administration. Approximately, 25% of our produce is wasted due to inadequate cold chain infrastructure. One third of losses incur during storage and transit.

In this regard, the Commissioner of Horticulture has proposed for establishment of Andhra Pradesh Cold Chain Promotion Company Limited to provide a series of facilities to maintain ideal storage conditions for perishables from the point of origin to the point of consumption in the food supply chain.

Government after careful examination hereby accord permission for establishment of a new Corporation called "Andhra Pradesh Cold Chain Promotion Company Limited " to be registered under Companies Act.

Sri Chiranjiv Chudhary, IFS., Commissioner of Horticulture & Sericulture, A.P., Guntur is authorized to sign and submit necessary forms and matters incidental in the formation of the proposed Corporation "Andhra Pradesh Cold Chain Promotion Company Limited" to the Registrar of Companies for Andhra Pradesh.
